## Shanghai - Paris of the East

CONSULEGIS is pleased and honored to invite you to the CONSULEGIS Autumn Conference, October 20<sup>th</sup> - 23<sup>rd</sup> 2016, in Shanghai - the first time that a CONSULEGIS conference will take place in China and also the first time, a CONSULEGIS conference will be hosted by CONSULEGIS itself!

We often hear how China - and mainly Shanghai - is booming. Once a small, insignificant fishing village, Shanghai has evolved into a thriving metropolis. Following the market reforms of the 1980s, Shanghai is now the engine of the current Chinese economic recovery, and the strongest magnet for foreign investment and workers.

And, as the main topic of the CONSULEGIS conference is about “Doing Business in China”, what better place to host the conference than China’s fastest growing city?

The meetings, workshops and speakers will focus on how to conduct successful business in China, and there will also be a pre-meeting on Thursday afternoon, where local speakers will host a lively discussion on the chances, challenges and difficulties that doing business in China, and, more widely, Asia, can bring.

We are very excited to strengthen relations between members, in-house counsels, guests, local firms and businesses leaders, and to promote successful conditions for business building and networking.

Many of you may have been to or know Shanghai, while others will be visiting for the first time. There is plenty to see and learn about the Chinese culture and the city - even for veteran travelers - as the city is relentlessly changing.

We have prepared a varied and exciting program - both business and social - for all participants, and hope this conference will provide the opportunity for business, discovery, enjoyment and education.

We look forward to welcoming you to the conference in Shanghai, and encourage you to bring your colleagues and guests.
